== UEC Official Academic Record ==

October 6, 2023

Student No. 2295011
Student Name YINGQIU HE
Date of Birth 07 August, 2002
Nationality P.R.China
Department International Education Center
Enrolled in UEC Exchange Study Program:
"Japanese University Studies in Science and Technology" (JUSST)

Duration of Enrolment From October, 2022 until September, 2023

N/C: Credit is granted to the work of one academic year.

Information Concerning Official Academic Record

This information sheet provides academic information for students who began their study since April, 1950 at The University of Electro-Communications.

Page Entry:

Page number will be shown on all pages, if there is more than one page of a statement issued.

Program Description:

UEC Exchange Study Program (JUSST)

Undergraduate Program for Bachelor's Degree (Engineering)

Graduate Program for Master's Degree (Engineering, Science or Philosophy)

Graduate Program for Doctoral Degree (Engineering, Science or Philosophy)

Faculty and Graduate Schools:

The University of Electro-Communications has one Faculty and one Graduate Schools, as follows:

School of Informatics and Engineering (former Faculty of Electro-Communications or Faculty of Informatics and Engineering)

Graduate School of Informatics and Engineering (former Graduate School of Electro-Communications or Graduate School of Information Systems)

Academic System:

Academic Year starts in April and ends in March. There are two semesters in the academic year;

Spring Semester: from April until September

Fall Semester : from October until March

Each semester has 15 weeks of study duration with lecture and exercise/tutorial classes, exclusive of vacation, and examination times.

Class Type:

The notations of Class types are as follows,

L: Lecture

S: Seminar

E: Exercise/Tutorial or Laboratory Work

Credit Values:

The following tables show "ONE" credit value for each class type.

1) School of Informatics and Engineering

L:	900 minutes (= 60 minutes×15 weeks)
S:	1,800 minutes (= 120 minutes×15 weeks)
E:	2,700 minutes (= 180 minutes×15 weeks)

2) Graduate School of Informatics and Engineering

L:	900 minutes (= 60 minutes×15 weeks)
S:	1,800 minutes (= 120 minutes×15 weeks)
E:	2,700 minutes (= 180 minutes×15 weeks)

Score	Grade:
100-90%	S: Excellent
89-80%	A: Good
79-70%	B: Fair
69-60%	C: Pass
59- 0%	D: Failed
N/A	Not Applicable
N/C	Not Countable
